Chairman's Welcome

I hope most of you had a good new year. I know some of our members did not as they had health issues which are ongoing. So, I hope those of you who are not well will improve as the months progress.

I am pleased to say that a member has come forward to take over the Treasurer's job from Tina. This is brilliant news and thank you for stepping forward. We are not sure when, but Tina is liaising with them to sort out training and time structure. I will let you know who it is when things have been finalised.

You will see from my important notice page, that we still need committee members. To fulfil our DA Constitution & to avoid an EGM (extraordinary general meeting), we need a replacement Secretary (Job role in previous edition). We do have a minutes Secretary in place, which cuts down the job role. We also need an Auditor. This person is a non- committee role. If necessary we can use a non- club member. The job takes approx. 10 hours per quarter. If you know of anyone, please contact myself or Tony Tester. Contact Dee Tester to discuss the Secretary role.

Please read the important notices page further on in this edition.

As you can see the first meet of the year is at Birchwood. Hopefully the weather will be kind to us.

Please if you can steward a rally or THS, contact the relevant officer.

Heather Brown, Chairman New Forest DA.

Sites officer

Now the holidays are over it is time to look forward to the camping season. There are some good sites booked for you to choose from. They will not happen if we do not get STEWARDS. They are an important addition to the weekend. Don't have the thought, "oh someone will do it" let that someone be you.

We need two sets of stewards for Easter. It is not hard work if there are two sets, so please give it a go, you only need to do it once a year and then you have done your bit. (you can do more if you want)

I am willing to give you Help and guidance as are other members of the committee, you will not be left High and dry.

My contact details are

sites-officer@newforestda.com Tel, 07966487994

If I do not answer as I will not recognize your number so leave a message and I will get back to you. Thanks for reading this and enjoy Birchwood.

Committee members – various job roles

November 2020

Dear Members

Unfortunately, due to work commitments, I will be stepping down at the next AGM Meeting from the role of New Forest DA Secretary.

I have enjoyed my last couple of years being a part of the Committee and getting involved with the activities that the New Forest arranges for the members. The role has lots of rewards and you get to learn about what the Camping and Caravanning Club does for the members. It is not a role that requires a lot of time as processes are already put into place.

Should anyone be interested, please let me know and I would be willing to discuss further what is required.

All the Committee Members are willing to help support new members.

Dee Tester
Secretary

PICKETS POST – END OF AN ERA

If you didn't know by now, this is the last time that Pickets Post will be sent out as a printed copy to members by post. It will still be available to read online by visiting our website newforestda.com. Also if you register your email address with Dean our editor, you can receive it by email. We know that we have to “move with the times” as everyone keeps telling us nowadays, but both Ray and I still feel that it is a sad occasion.

The first New Forest D.A. Newsletter was printed in 1971 and at that time it didn't actually have a name until Phil Francis came up with the name “**Pickets Post**”. In 1974 Marion & Dave Evans took over producing and printing the magazine followed in 1975 by Phil. However, 1977 saw Marion take back the Editorship until 1986 when she handed it over to Denise and Alan Winwood followed in 1986 by Margaret Miller who became the Editor from 1986 until 1998 when her husband Ray Miller took over and continued until 2013 when he used to post 199 copies every month. Pickets Post then moved forward with Kevin Tye until our present Editor, Dean Mueller-Davies.

Whilst we are well aware of factors like, the cost of paper, posting etc, nevertheless it was a sure way of keeping the membership fully informed of all the information regarding the D.A. from Committee business to all aspects of camping and social activities within the D.A. as well as the Junior and Youth sections. Members were quick to tell us that they would “fight” to get to the copy first to read it but it is true that in those days (oh dear! I'm looking back again!), a Pickets Post would have had many pages full of interesting articles, reports and information about camping and all our many activities that we took part in.

Whilst we acknowledge that all the contents of Pickets Post are now solely available online, it is also rather interesting to note the many comments from members in recent times when they are asked “Do you read Pickets Post online”. I am sure many do and of course being online it is openly available to all and sundry which hopefully attracts other members from around the country. But comments such as “Oh I don't bother with the computer much nowadays” or “I hardly ever turn it on” or, the best one with regard to programmes and booking forms etc, “Of course, it's no good to me online because I don't have a printer!”, leave one wondering how many of our D.A. actually get to read our newsletter.

A good effective magazine is the lifeline of communication for a D.A. to encourage its members to take an interest, show enthusiasm, contribute and take part in the wellbeing and success of their own D.A.

Let's just hope some of our members make more of an effort to “switch the computer on” in the future and then they can join in and support what New Forest D.A. has to offer.

Margaret & Ray Miller , Former Pickets Post Editors

Your Temporary Holiday Sites

Thank you to the members who have stepped forward since my appeal in January to enable us to run Ballard School for the first 2 weeks, Wareham Rugby Club for the first 2 weeks plus a week at Breamore. This still leaves me with gaps for 7 weeks to completely run the THS sites this year.

I do therefore urgently need your help.

If you are wondering how this works I will try to give you an idea. Stewards arrive the day before members to give them time to set up their unit and put out signs etc.

After that with 2 sets on site you decide between you when and how best to cover the time. You all have time off, possibly a few hours could be a day the decision is yours to decide with your fellow stewards.

You are not left to suddenly do this on your own as all sites now have one set of stewards who have done this before and will show you the ropes. How we book members in and how we site them depends upon the site involved. We do ask them to come and pay their fees on the last evening they intend to be there so they can get away without any hold ups next morning as many are travelling long distances. We do not keep large sums of money on site so there is banking to be done - usually by the steward who is popping off to town to do some shopping. It is a very relaxed time as once the first rush of visitors is over they tend to trickle in and out on a daily basis. You have an information book giving you all the information you are likely to need but some local knowledge of the area is always useful. There is a list of nearest Dr, dentist vet, supermarket, campshop etc. These are the most common requests you will receive.

In return you have free camping and a nightly payment you can claim if you wish of £2 towards your gas/electric as some sites now charge the stewards for the electric they use. The DA also give you a mileage allowance for one trip from home to site and back, again if you wish to claim it. To do so you will need to supply a VAT receipt for fuel bought prior to your journey. Claim forms will be in the stewards paperwork.

The DA makes a profit on the THS sites which is the only way we can fund events for your enjoyment such as the Christmas Party, pantomime, ad hoc treats at some weekend meets. Last year we also replaced the DA trailer, purchased an A frame for weekend stewards use, Purchased a new light weight pennon. We are heavily subsidising the Dinner Dance in March and your committee have other expenditure planned for 2020 so long as we can keep the THS sites running. The rest is in the hands of you our members as we cannot do it alone.

I have included in this issue a site list for 2020 which shows you all when and where the Holiday Sites are for the year.

The gaps to fill are:-

Ballard School :-

Swanage & Wareham Rugby Club:-

Breamore House

I also need someone to cover at Breamore from Thurs 10th Sept to Mon 14th Sept to enable Chris and Linda to attend a family wedding.

We would normally expect you to do a minimum of 1 full week but all help will be considered.

Your First THS for 2020 is:-

Birchwood Tourist Park.

Note we are here much earlier in the season this year.

You need to start to contact me now to reserve your pitches for this Pre Summer Season Special Offer on this popular site. (To give you some idea of popularity I had 7 bookings on Tuesday this week alone)

Dates 15th June to 13th July

The site will open at 12 midday daily with departures by 11am on your day of departure.

Limited number of ehu pitches available to us at only £ 15 pun.

The cost per night includes an electric hook up and access to all facilities.

Booking essential. Only available through DA.

Dinner Dance 2020 - IMPORTANT UPDATE

It is still not too late to book - form can be found in this issue. This is your **last opportunity** to join in a relaxed evening, have a meal, see the money you have raised for MacMillan Caring Locally handed over to their representative and then enjoy the music or dance to Alto, This is not a formal evening although some may wear formal dress if they wish but we do ask for a smart dress code please. There is still plenty of space so we have opened it up if you want to bring non-member guests at the same discounted price.

(Priority will be to C & CC Club Members)

If we do not get a reasonable number attending this year, it could be curtains for yet another DA function. Please do consider joining us.

You are responsible for arranging your own accommodation if you wish to stay overnight either at the hotel or at a local campsite. We do not arrange a meet as it would mean the stewards would not be able to attend the function however Lytton Lawn is not far away and if enough of you want to go we may be able to get a reduced price for you on this commercial site.
